Jesus, Mary, Joseph, Corona and all the Saints of God, pray for us.

Often I am asked who the patron Saint for a particular need or intercession is. As there are so many canonized brothers and sisters with various, sometimes several, patronages from time to time I may not know but then with a quick research I find out. To be honest I had not heard of St. Corona and until recently I would not have researched her. Now I have. Right in the middle of the coronavirus pandemic is the city of Anzu, Italy. There is a basilica in Anzu where the relics of St. Victor and St. Corona have been preserved since the 9th century. The word corona is Latin for crown. Ironically, St. Corona is considered, among other patronages, as one of the patron saints of pandemics.

The coronavirus sweeping the globe is also named for “crown.” The Economist explains: *Little noticed by doctors, let alone the public, until the outbreak of SARS (severe acute respiratory syndrome) that began in Guangdong in 2002, the coronavirus family was first recognized by science in the 1960s. Its members got their name because, under the early electron microscopes of the period, their shape seemed reminiscent of a monarch’s crown. (It is actually, modern methods show, more like that of an old-fashioned naval mine.) There are now more than 40 recognized members of the family, infecting a range of mammals and birds, including blackbirds, bats and cats. Veterinary virologists know them well because of the diseases they cause in pigs, cattle and poultry.*

Little is known about St. Corona, but she and the man she prayed for, St. Victor, are listed in the Roman martyrology of the Church. There is ambiguity surrounding the dates and locations of St. Victor’s and St. Corona’s martyrdom. They were put to death in the year 170A.D. Most historians agree they died during the reign of Marcus Aurelius and that they were put to death by order of a Roman judge named Sebastian. The account tells the tale of a Roman soldier named Victor. The Romans discovered that Victor was a Christian. The soldiers brought Victor before a judge, named Sebastian, who despised Christians. He decided to make an example out of Victor. He was bound to a pillar and summarily whipped until his skin was hanging from his body, and then Sebastian had his eyes gouged out. Through it all, Victor never denied Christ.

Nearby was a 16-year-old girl name Corona. She was the wife of one of the soldiers, and she was also a Christian. (Corona’s husband did not know his wife was a Christian). As Victor was being brutalized, Corona decided she needed to help the slowly dying man. She chose to announce her Christianity to all present and hurried over to where they were torturing Victor. She knelt and began to pray for him, letting him know she was there for him. It did not take very long for the soldiers to bring her too before Sebastian.

Sebastian was livid that this young woman had so disrespected his authority. He immediately had her put in the prison and tortured. Then he ordered her tied to the tops of two palm trees which had been pulled down to the ground. At his signal, the ropes holding the trees bent were cut. The trees sprang back away from each other to an upright position. The force was so great that Corona’s body was ripped apart. Then Sebastian ordered Victor beheaded. The remains in the basilica have been there since the 9th century. St. Corona’s feast day, along with St. Victor’s, is May 14. We ask both of them to pray for us all that this pandemic subsides. (*The information on St. Corona is drawn from various sources*).

We have great intercessors in the Saints and the full force of Heaven to draw from in these times. It is so odd to have Mass without the familiar faces of parishioners in front of me. So much can and is taken for granted until change causes that which is familiar to no longer be. The impact of this is far reaching in so many ways. Resilience is part of our baptismal genetics. I pray that you are making use of the necessary precautions and that in your families you are making time for prayer. Mass is live-streamed from so many places and at various times. Decide for your family and you when you will ‘plug in’ so that you may be drawn into the prayer of the Mass. Adoration is offered via live-stream 12noon to 3:00PM daily and the church is open at 7:30AM until 8:00PM daily for you to come and pray before the Lord in the Blessed Sacrament. We are blessed in that our church is large enough for people to practice social distancing while also afforded the opportunity for a place of prayer.

Please be assured that I pray daily for each of you. While this is so difficult we also have so much to be thankful for and many blessings. This is the time for us as Christians to be the light Christ has called us to be. We should be able to dispel unnecessary fear and anxiety in ourselves and in others, mindful that the Lord is in our midst calming the fear that can come in the face of such trials. If I can assist you in any way I am simply a phone call, a text or an email away. Let us pray for one another, for health care professionals who place themselves at risk, for those infected with the coronavirus, for their families and for the containment and ultimate end to the spread of this virus. May God bless and keep each of us close to Him.

Peace, Fr. Richard

Prayer of Pope Francis for Protection and Help

O Mary, you always shine on our path as a sign of salvation and of hope. We entrust ourselves to you, Health of the Sick, who at the cross took part in Jesus' pain, keeping your faith firm.

You know what we need, and we are sure you will provide so that, as in Cana of Galilee, we may return to joy and to feasting after this time of trial.

Help us, Mother of Divine Love, to conform to the will of the Father and to do as we are told by Jesus, who has taken upon himself our sufferings and carried our sorrows to lead us, through the cross, to the joy of the resurrection. Amen.

Under your protection, we seek refuge, Holy Mother of God. Do not disdain the entreaties of those of us who are in trial, but deliver us from every danger, O glorious and blessed Virgin.

Guidelines for the care and maintenance of our Parish Cemetery

For many years the cemetery rules of perpetual care have been in place. Unfortunately, they have not been enforced. We are implementing a new landscaping program to keep our cemetery looking as beautiful as possible. Therefore, we are informing you of the rules and regulations, which are posted at each entrance to the cemetery, so that you will tend to your gravesites, particularly those that may be in violation of the following rules:

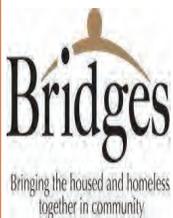

The following are not permitted on cemetery grounds: artificial flowers, plastic or ceramic statues, vigil lights, trees, shrubs, ivy grave coverings and stands, metal legs or hooks for potted plants.

Flowerbeds are permitted running the width of a headstone and extending one foot off of the monument base. Modest fencing of flowerbeds is allowed. Masonry borders or fencing considered hazardous or obtrusive however is not permitted. Maintenance of plantings is the sole responsibility of the family.

Palm decorations are not allowed to remain after Ascension Thursday. Grave blankets are permitted from November 1st to March 1st only.

All rules are subject to change upon consideration for the safety of those who visit and for aesthetic and religious reasons. Any plantings, borders or decorations not permitted or deemed inappropriate may be removed at any time.

May those whose bodies rest in the peace of the Lord in our parish cemetery be remembered daily in our prayers, especially at the Holy Sacrifice of the Mass.

A Way for Parish Teenagers To Brighten Someone's Day!

Please consider letting a Good Counsel Mother know that you care about her.

One thing you can do this Lent is share a memory from your childhood with a Good Counsel mother and her child! All it takes is for you to remember one of your favorite books/stories from when you were growing up. Purchase a new copy of it and include a note so that it may be given to a mother at Good Counsel. In your message you might explain why the story is special to you, include a dedication to your mother, add an Easter greeting or simply write "congratulations" to a mom on the birth of her baby.

***A generous person will prosper;
Whoever refreshes others will be
refreshed. Proverbs 11:25***

- ❖ Sign your note using only your first name and only first names in any dedication.

**St. Vincent de Paul Life Ministries
Appreciates Your Generosity!**

Unplanned, the movie, is available to be borrowed from the parish office. It is the story of Abby Johnson, a college student, who volunteered at Planned Parenthood to "help women" and later became a clinic director. She then realized she was facilitating the deaths of thousands of babies. Abby then joined her 40 Days for Life "enemies" and became one of the most ardent pro-life advocates in America. The movie is great for parents and teens to watch together in the privacy of your home.

Did You Know?

Under the NJ Safe Haven Infant Protection Act a person may give up an unwanted infant anonymously to protect unwanted babies from being hurt or killed from an unsafe abandonment. A distressed parent who is unable to care for an infant can give up custody of a baby less than 30 days old safely, legally and anonymously. The baby may be brought to any hospital emergency room, police station or other designated 24 hour staffed location. As long as the child shows no signs of intentional abuse, no name or other information is required. (call 877-839-2339 for locations).

A Prayer For Expectant Mothers

O Blessed Mother, you received the good news of the incarnation of Christ, your Son, with faith and trust. Grant your protection to all pregnant mothers facing difficulties.

Guide us as we strive to make our parish communities places of welcome and assistance for mothers in need. Help us become instruments of God's love and compassion.

Mary, Mother of the Church, graciously help us build a culture of life and a civilization of love, together with all people of good will, to the praise and glory of God, the Creator and lover of life. Amen
