ABRACADABRA!

Magicians are known to use the word *'abracadabra'* as they perform their tricks, but did you know it is an ancient and potent word? We have proof it has existed in ***Latin*** since the 4th Century, and is of ***Hebrew*** or ***Aramaic*** origin. Its literal translation, *"it will be created by my word,"* explains why enchanters say it as they 'make magic.' And it played a part in helping the man we honor this week, *Saint John Bosco*, win over young boys for Christ.

Born on August 16, 1815, near Turin, Italy, *Don Bosco*, as he is also called, died in 1888 on what is now his Feast Day: *January 31*. Ordained a Priest in 1841, he was canonized, appropriately *[according to our current calendar]* on April Fools' Day: April 1, 1934, which was also Easter that year. However, as his story shows, he did not become a Saint by magic or by simply playing the fool. After praying the Collect for the holy Mass offered in his honor, I'll explain.

Collect - Saint John Bosco, Priest

O God, who raised up the Priest
Saint John Bosco as a father and teacher
of the young, grant, we pray,
that, aflame with the same fire of love,
we may seek out souls and serve you alone.
Through our Lord Jesus ... for ever and ever. *Amen.*

AGAINST ALL ODDS. The world in which *Father Bosco* lived was stern and strict, black or white. Some were deemed 'good,' deserving of every blessing; others were deemed 'bad,' deserving of every punishment. With no child labor laws or social services to care for orphans, many boys lived on the streets. As the Industrial Revolution turned towns like Turin into factory meccas, boys fled there to earn money so they and their families could afford basic necessities. But with no adult oversight or ethical training, they often became like wild animals - and were treated - by civil and even religious authorities - as degenerate demons, with no redeeming qualities - until they met *Don Bosco*.

When *John Bosco* was two, his father died, leaving his mother and two older brothers nearly destitute; yet his mother always offered alms to those worse off than they were. Her tender care for the less fortunate profoundly influenced him; in fact, in 2006, Pope Benedict XVI declared 'Mamma Margarita' Bosco 'Venerable' which put her on the path to Sainthood! By being moved, as Jesus was, by compassion for those written off as hopeless and useless, *Saint John Bosco* intervened in the bleak situation of poor boys in a most unusual, interesting way.

After becoming a Priest, which one brother vehemently opposed, *John* established a 'group home' known as the *Oratory of Saint Francis de Sales*, who eventually became known as the *Salesians*. *Father Bosco* was a kindly spiritual father to boys in need, and gained their interest, trust and admiration by juggling, doing acrobatics and magic tricks BEFORE giving a talk or sermon or leading them in praying the Rosary. He is often depicted with an image of *Our Lady* due to his strong devotion to our *Blessed Mother*.

His approach to the education and spiritual formation of boys was quite unique for its time. He rejected corporal punishment, sought to remove every near occasion of sin that could lead them astray, and advocated the frequent reception of the Sacraments of *Reconciliation* or *Penance* and of *Holy Communion*. He included sports and other non-academic activities in their educational training, intermingling spiritual and temporal, heavenly and earthly aspects into all he and the boys did. He also provided training in the crafts for those not academically gifted, so they could have self-worth and pride in their ability to support themselves and loved ones.

Don Bosco was never deterred by the challenges he faced: lack of financial means to meet his Order's - and the boys' - many needs; opposition from corrupt business owners who basically enslaved the boys; anti-clerical attitudes; false accusations of abuse; assassination attempts; etc. Yet, against all odds, he became the Patron Saint of young people, apprentices, and Catholic publishers and editors. *Saint John Bosco, Priest, pray for us!*

With God's love and my prayers,

Father Mike

SANCTUARY OFFERINGS

The SANCTUARY LAMP which burns near the Tabernacle in Church, the reminder of the Lord's Presence in the Most Holy Eucharist will burn in memory of JERRY D'AVANZO. Requested by his wife, Judy D'Avanzo.

The PASCHAL CANDLE, a symbol of the Risen Christ burns brightly at every baptism, through which we die to sin and rise to new life in Christ and at every funeral to show we died to this life and have fully entered the new risen life of Christ! This year's Paschal Candle has been memorialized for ARTHUR F. MCCORMACK, JR.

Requested by ANNE MARIE MCCORMACK.

Please keep Jerry, Arthur and their families in your prayers.

PRAY FOR OUR SICK

Grant our brothers and sisters comfort in their suffering. When they are afraid, give them courage, when afflicted, give them patience, when dejected, afford them hope and when alone, assure them of the support of your holy people.

RELIGIOUS FORMATION PROGRAM

One of the best ways to learn about your Faith is to share it with and teach it to children. Is God calling YOU to be a Catechist or Aide? As we begin to prepare for registration for the coming year, Catechists and Aides are always needed. Please consider sharing your Faith with our children. Email Mary Kay Benjamin – religiousformation@stmaryrutherford.org.

The Summer Religious Formation Program is a privilege. All families wishing to be considered for the SRF Program (2020) need to be attending Mass on a regular basis. The only way for us to verify regular attendance at Mass is via the weekly envelopes. This is a normal procedure in most parishes for determining active participation. Please note no set amount or any amount is required. The use of the envelopes will be used for verifying attendance only. God monitors your attendance always.

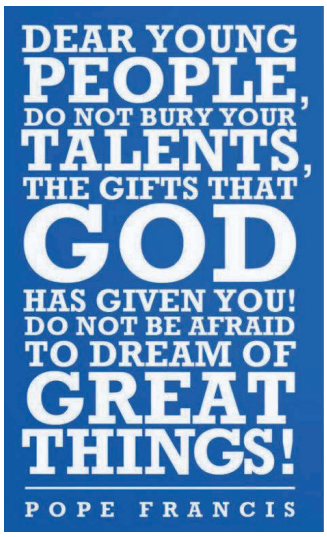
Catholic Schools Week 2020
St. Mary High School



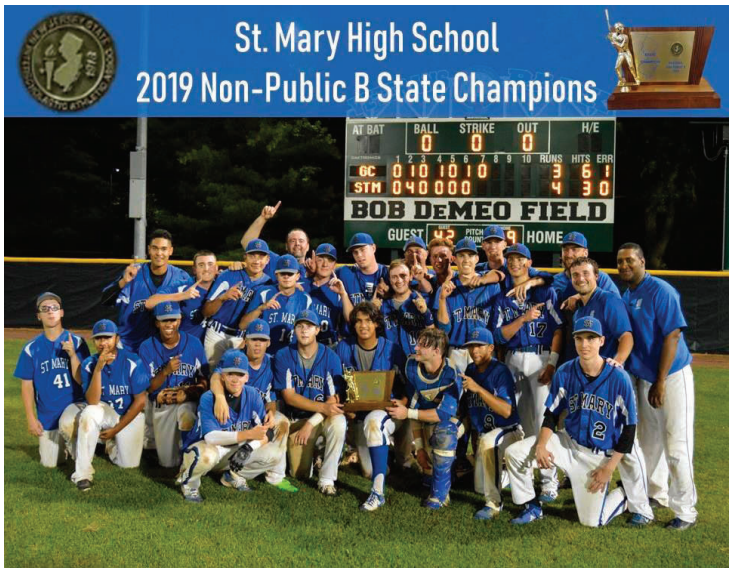
Every year, Catholic Schools Week celebrates the mission of every Catholic school across America and how they come to form young men and women into the leaders of tomorrow. **This past year has been one of great importance for the St. Mary High School community as we celebrated our 90th Anniversary of enlightening minds and hearts through Catholic education**. Since 1929, St. Mary High School has been a cornerstone for thousands of students who passed through our halls and in the Rutherford community. This past year was a celebration of all that our school has accomplished and looks to continue to achieve in the future. St. Mary High School continually grows and changes to meet the needs of our students by providing a quality, well-rounded education with the latest updates in technology and materials. Yet even with changing times, the mission of St. Mary High School has remained the same since its opening, which can be surmised from the words of Pope Francis: **"Dear young people, do not bury your talents, the gifts that God has given you! Do not be afraid to dream of great things!"**

One of the major events that we celebrated this past year was our **90th Anniversary Gala at The Fiesta**. In November, numerous alumni, benefactors, administrators, teachers, families, and current students attended the event to reminisce, as well as look to the future, that St. Mary High School has inspired in our community. Displays from each decade of SMHS's history were created which included trophies, yearbooks, and memorabilia from each time period. A special video presentation was created by SMHS alumnus Andy Conte commemorating various academic and extracurricular milestones in the history of our high school. Most importantly, the night was about camaraderie between the past and current families that have helped support and sustain St. Mary High School for all these years, making it a competitive educational option for families looking to instill Catholic values and education in their children.

One of the many changes that have occurred in the high school since its opening 90 years ago is the development and use of technology in the classroom. With new technological advancements almost every day, we have followed the trend of being on the cutting edge of classroom technology and implementation. This past year has seen great growth in our new **STEM Program**, which is being infused throughout our curriculum so that all students can experience this style of learning. One project students worked on in our Psychology classes involved the creation of a neuron model. After dissecting a sheep's brain and evaluating samples under a microscope, students then made 3-D models of various types of neurons in the software *Google SketchUp*. Once the modeling was completed, projects were brought

to life on our brand new 3-D printers. These printers allow ideas to be designed in the virtual realm and brought to life in a tangible way. We look forward to further implementation of the program this upcoming year for all of our students' enhanced educational experience.

Along with growing our own community from an educational standpoint, our high school also seeks to help other communities that are near and dear to our hearts. Our first fundraiser of this current school year was held this past September at Tamblyn Field. Our high school's Key Club and Student Council coordinated our **2nd Annual Color Run** to raise money for the **Special Olympics of New Jersey**. Two of our students, Andrew and Gillian Sepp, along with their father, are heavily involved with this wonderful organization. Many of our students have also volunteered to help at Special Olympic events over the years as part of their requirement to complete service hours. For these reasons, we felt the Special Olympics would be a wonderful cause to donate to. Our student body seemed to agree as well since over half of them attended the event, with others making donations if they could not attend. In addition, TopThatDonuts, Bob's Bagels, and Philly Pretzel Factory donated breakfast for our runners to show solidarity and support of our cause. When all the color powdered settled, we were able to raise ***$1,500.00 for the Special Olympics of New Jersey***. We look forward to hosting our 3rd Annual Color Run this upcoming fall and hope many more from the St. Mary community will be able to attend!



One of the biggest dreams that we achieved this past year was through our Boys' Varsity Baseball team. Under the leadership of Coach Dennis Hulse, who was named Coach of the Year and inducted into the Felician Hall of Fame, **St. Mary won their first Baseball State Championship in over 20 years**. Our baseball program has always been strong, making it year after year into the playoffs. However, this past year was the year that St. Mary broke through and regained the State Championship. SMHS defeated Gloucester Catholic for the Non-Public B State Championship with a score of 4-3. We look forward to defending our title this year as our program continues to grow in size and notoriety among the high school baseball community.

The past 90 years have given us many things to be grateful for at St. Mary High School. The future is bright for our students as we look forward to helping them discover their talents, develop them, and dream great dreams as their future lies ahead of them.

Thank you to all our alumni, current families, and future St. Mary Gaels as we continue our mission for many more years to come!

RUTHERFORD SWIM ASSOCIATION

When choosing a funeral home, people usually go where they feel comfortable .

At Calhoun-Mania, we have been focused on perfecting the art and tradition of creating comfort during the most difficult times that life has to offer. If you don't already know us, we invite you to stop by, say "hello" and we will answer any inquiries that you may have.
