Pastor's Note

Notas del Pastor

Dear Friends,

The Fourth Sunday of Easter is typically referred to as the "Sunday of the Good Shepherd," since each year the readings have reference to Jesus the "Good Shepherd," "who lays down his life for the sheep." On this Sunday, we often pause to give thanks for the "good shepherds" in our lives - particularly the priests who have brought us Jesus and guided us in the ways of the faith. I would also like to encourage us to take this Sunday as a chance to offer prayers for the young men who are called to the Priesthood - those who have yet to hear that call and those who are answering it in the seminary. Let's pray that these shepherds-to-be great each day after the Heart of the Good Shepherd and that we can look forward to many years of pastoral care from holy priests. Finally, I would call us to also give thanks to all those who show a shepherd's care in our lives: those who take responsibility for us and love us - our parents, grandparents, guardians, teachers, and all who serve us out of that greatest of loves. Happy Good Shepherd Sunday, everyone!

In God's Peace,
Fr. Austin

Queridos amigos,

El Cuarto Domingo de Pascua se llama el "Domingo del Buen Pastor", ya que cada año las lecturas hacen referencia a Jesús el "Buen Pastor", "que da su vida por las ovejas". En este domingo, a menudo hacemos una pausa para dar gracias por los "buenos pastores" en nuestras vidas, particularmente los sacerdotes que nos trajeron a Jesús y nos guiaron por los caminos de la fe. También me gustaría animarnos a aprovechar este domingo como una oportunidad para ofrecer oraciones por los jóvenes que son llamados al sacerdocio: aquellos que aún no han escuchado ese llamado y aquellos que están respondiendo a él en el seminario. Oremos para que estos futuros pastores sean grandes cada día según el Corazón del Buen Pastor y que podamos esperar muchos años de atención pastoral de parte de santos sacerdotes. Finalmente, me gustaría llamarnos a dar gracias también a todos aquellos que muestran un cuidado de pastor en nuestras vidas: aquellos que se responsabilizan de nosotros y nos aman: nuestros padres, abuelos, tutores, maestros y todos los que nos sirven desde ese mayor de amores. ¡Feliz Domingo del Buen Pastor a todos!

En la paz de Dios,
P. Austin

On Sunday, April 14th, our Pathways formation celebrated our final in Church session for the year. This month our focus was on HEAVEN! The students brought boxes from home to do their part in “building” the kingdom of heaven in their classroom. Students in Middle School focused on the John 14:1-6, drawing their own image of heaven. Middle school students also discussed how Jesus gave us instructions for getting into the Kingdom of Heaven by reading Matthew 25:31-46.

Our Pathways Saint of the Month focus was on St. Catherine of Sienna, whose feast day will be celebrated on April 29. Students discussed how Catherine was a courageous Saint and helped changed the Church forever at such a young age. Our younger students discussed how caterpillars changing into butterflies can help us understand how we will change when we are with God in Heaven.

El Domingo 14 de Abril, nuestra formación Pathways celebró nuestra última sesión en la Iglesia del año. ¡Este mes nuestro enfoque estuvo en el CIELO! Los estudiantes trajeron cajas de casa para hacer su parte en “construir” el reino de los cielos en su salón de clases. Los estudiantes de la escuela secundaria se centraron en Juan 14:1-6 y dibujaron su propia imagen del cielo. Los estudiantes de secundaria también discutieron cómo Jesús nos dio instrucciones para entrar al Reino de los Cielos al leer Mateo 25:31-46.

Nuestro Santo del Mes de Pathways se centró en Santa Catherine de Siena, cuya fiesta se celebrará el 29 de abril. Los estudiantes discutieron cómo Catherine fue una Santa valiente y ayudó a cambiar la Iglesia para siempre a una edad tan joven. Nuestros estudiantes más jóvenes discutieron cómo las orugas que se convierten en mariposas pueden ayudarnos a comprender cómo cambiaremos cuando estemos con Dios en el cielo.

Reflection by Dr. Pat

It is the 3rd Sunday and the monthly youth mass (11 am CTK Church). I do understand that youth masses are a sporadic tradition at the Pastorate but I'm hoping that this is keeper, at least from September through May. Why? Young people are today's church. Many think they need to take leadership roles until they are 'older' and 'more mature.' And yet, have you wondered what our Pastorate would be like without the young church? I cringe at the thought! Seriously, in the year and a half I have been here as Director of Youth Ministry, I have been in wonder and awe at their gifts: Dreaming, planning and doing last week's 1st soccer tournament; leading small groups during a faith formation class or retreat; giving a talk at the youth masses or as a witness during a retreat; serving as peer mentor to those who are younger than them; altar serving, lecturing, bringing up the gifts, and ushering at mass, being committed as a middle school youth to our monthly Service Sundays, and so much more.

St Timothy, a leader of the early church, was said to be somewhere between 14-16 years of age. St Paul recognizes the struggles when he says, "Command and teach these things. Let no one have contempt for your youth, but set an example for those who believe, in speech, conduct, love, faith, and purity. Until I arrive, attend to the reading, exhortation, and teaching."

As we continue with the youth masses and empowering young people in our Pastorate, let's see the gifts we have in them (and their families), and continue to respect His Spirit in each of them. A SHOUT OUT to all of those high school people just beginning the Sacrament of Confirmation process!

I'LL BE PRAYING FOR YOU!

Reflexión del Dr. Pat

Es el tercer domingo y la misa mensual para jóvenes (11 am en la Iglesia CTK). Entiendo que las misas juveniles son una tradición esporádica en la Pastorada pero espero que esto se mantenga, al menos de septiembre a mayo. ¿Por qué? Los jóvenes son la iglesia de hoy. Muchos piensan que necesitan asumir roles de liderazgo hasta que sean "mayores" y "más maduros". Y, sin embargo, ¿te has preguntado cómo sería nuestro Pastorado sin la iglesia joven? ¡Me estremezco al pensarlo! En serio, en el año y medio que llevo aquí como Directora del Ministerio Juvenil, me he quedado maravillado y asombrado por sus dones: soñar, planificar y organizar el primer torneo de fútbol de la semana pasada; liderar grupos pequeños durante una clase o retiro de formación en la fe; dando una charla en las misas de jóvenes o como testigo durante un retiro; servir como mentor de pares para aquellos que son más jóvenes que ellos; servir en el altar, dar conferencias, traer las ofrendas y marcar el comienzo de misa, comprometerse como joven de escuela secundaria con nuestros domingos de servicio mensuales y mucho más. Se decía que San Timoteo, un líder de la iglesia primitiva, tenía entre 14 y 16 años de edad. San Pablo reconoce las luchas cuando dice: "Manda y enseña estas cosas. Que nadie tenga desprecio por vuestra juventud, sino sed ejemplo de los que creen, en la palabra, en la conducta, en el amor, en la fe y en la pureza. Hasta que yo llegue, ocúpate en la lectura, la exhortación y la enseñanza".

Mientras continuamos con las misas de jóvenes y empoderando a los jóvenes en nuestro Pastorado, veamos los dones que tenemos en ellos (y sus familias), y sigamos respetando Su Espíritu en cada uno de ellos. ¡UN ATENCIÓN a todos aquellos estudiantes de secundaria que recién comienzan el proceso del Sacramento de la Confirmación!

Haiti

I wrote these words years ago. They are still true today, even more so during the current situation in Haiti. Haiti is complex. There is much to digest. It is a land of disparity and contradictions - rundown shacks and trash-filled, unpaved roads surrounded by majestic mountains. People live in desperate conditions with no running water and no electricity, while nearby the waves of the Caribbean Sea crash onto the beach.

As anywhere, the hope lies in the children. Just because they are poor does not mean they are not bright, talented, ambitious and ready for change. They just need an opportunity to make a difference in their country. There is a fire burning within me, burning evermore brightly after having been immersed in the culture. I have changed. We are changed. We are answering the call to serve, to love and bring hope to our sisters and brothers. I see that hope in the eyes of the children. Let us continue this journey with the knowledge that God will provide all that we need. Please join me in prayer as we continue on this mission.

Haití

Escribí estas palabras hace años. Siguen siendo ciertas hoy, más aún durante la situación actual en Haití. Haití es complejo. Hay mucho que digerir. Es una tierra de disparidades y contradicciones: chozas destartaladas y caminos sin pavimentar llenos de basura rodeados de majestuosas montañas.

La gente vive en condiciones desesperadas, sin agua corriente ni electricidad, mientras cerca las olas del Mar Caribe rompen en la playa.

Como en cualquier lugar, la esperanza está en los niños. El hecho de que sean pobres no significa que no sean brillantes, talentosos, ambiciosos y no estén preparados para el cambio. Sólo necesitan una oportunidad para marcar la diferencia en su país.

Hay un fuego ardiendo dentro de mí, ardiendo cada vez más intensamente después de haber estado inmerso en la cultura. He cambiado. Estamos cambiados. Estamos respondiendo al llamado a servir, amar y llevar esperanza a nuestras hermanas y hermanos.

Veo esa esperanza en los ojos de los niños. Continuemos este viaje con el conocimiento de que Dios proporcionará todo lo que necesitamos. Únase a mí en oración mientras continuamos en esta misión.

Blessed Frédéric Ozanam, Founder of the St. Vincent de Paul Society (April 23, 1813 – September 8, 1853)

Frédéric studied law at the University of the Sorbonne in Paris, France. When certain professors there mocked Catholic teachings in their lectures, Frédéric defended the Church.

A discussion club which Frédéric organized sparked the turning point in his life. In this club, Catholics, atheists, and agnostics debated the issues of the day. Once, after Frédéric spoke about Christianity's role in civilization, a club member said: "Let us be frank, Mr. Ozanam; let us also be very particular. What do you do besides talk to prove the faith you claim is in you?"

Frédéric was stung by the question. He soon decided that his words needed a grounding in action. He and a friend began visiting Paris tenements and offering assistance as best they could. Soon a group dedicated to helping individuals in need under the patronage of Saint Vincent de Paul formed around Frédéric.

Here at our pastorate, we follow Frédéric's inspiration by helping the poor in our area. Please consider helping continue his mission!

Beato Frédéric Ozanam, fundador de la Sociedad de San Vicente de Paúl (23 de abril de 1813 - 8 de septiembre de 1853)

Frédéric estudió derecho en la Universidad de la Sorbona en París, Francia. Cuando ciertos profesores se burlaron de las enseñanzas católicas en sus conferencias, Frédéric defendió a la Iglesia.

Un club de debate organizado por Frédéric marcó un punto de inflexión en su vida. En este club católicos, ateos y agnósticos debatían los temas del día. Una vez, después de que Frédéric hablara sobre el papel del cristianismo en la civilización, un miembro del club dijo: "Seamos francos, señor Ozanam; Seamos también muy particulares. ¿Qué haces además de hablar para demostrar que la fe que afirmas está en ti?"

A Frédéric le dolió la pregunta. Pronto decidió que sus palabras necesitaban una base de acción. Él y un amigo comenzaron a visitar viviendas de París y a ofrecer asistencia lo mejor que podían. Pronto se formó en torno a Frédéric un grupo dedicado a ayudar a las personas necesitadas bajo el patrocinio de San Vicente de Paúl.

Aquí en nuestro pastorado, seguimos la inspiración de Frédéric al ayudar a los pobres de nuestra zona. ¡Considere ayudar a continuar su misión!
