Fourth Sunday of Easter

First Reading *Acts 4:8-12* Peter explains to the elders that his healing of a cripple was done in the name of Jesus Christ. He reminds the elders that they crucified Jesus, but God rose him up so that all people could be saved in his name.

Second Reading: *1 John 3:1-2* John expresses amazement at the fact that God allowed us to be called his children. Although we are unsure exactly what we will be after this life, we do know that we will see God as he is and be like him.

Gospel: *John 10:11-18* Jesus speaks of a shepherd working only for pay, with no real concern for the sheep being well cared for. But Jesus is our shepherd and would lay down his own life for all those in his flock. God loves him for his willingness to sacrifice himself for the sake of all God's children.
