Support Our Wider Church Through Second Collections

We kindly remind all of the importance of our second collections, which are typically designated for causes beyond our parish, including charitable organizations and initiatives of the Archdiocese.

These collections allow our faith community to extend our support to those in need, assist in broader Church missions, and participate in the work of the universal Church.

Your generosity helps bring hope, relief, and compassion to many.

We encourage you to prayerfully consider contributing to these second collections as you are able. Thank you for your continued kindness and stewardship.

Stay Connected with St. John's This Spring

As we welcome the beauty and renewal of spring, we invite you to stay connected with our parish community. To get started, simply scan the QR code above or visit <https://www.wesharegiving.org/app/giving/WeShare-20000208?tab=home>.

By setting up a recurring gift, you help ensure that our ministries and outreach continue to grow and flourish, supporting our parish family throughout this season of new life and beyond. Thank you for your faith, generosity, and love for St. John's. May the Lord bless you abundantly this spring, renewing our hearts and drawing us ever closer to Him and to one another.

A Gentle Reminder About Restroom Use

To help protect our church facilities and avoid costly repairs, we kindly remind everyone only toilet tissue and body waste should be flushed down the toilets.

Items such as wipes, paper products, and other materials, **even those labeled "flushable,"** can cause **serious** plumbing problems. Thank you for your cooperation and care in helping us maintain a safe and welcoming environment for all.

Respect Life

Immoral physician-assisted suicide in NY – The Bishops speak directly to the current situation: “Like a number of other states before it, New York has legalized physician-assisted suicide. Our Church warns us in no uncertain terms that this practice is objectively immoral and must be avoided, despite the false veil of compassion with which it is sold. Often proponents refer to the practice as “death with dignity.” However, in response to this, it must be strongly reiterated that suffering does not cause the sick to lose their dignity, which is intrinsically and inalienably their own. Instead, suffering can become an opportunity to strengthen the bonds of mutual belonging and gain greater awareness of the precious value of each person to the whole human family.” Let us pray, especially for the sick and vulnerable, to accept their cross and for palliative care to ease their suffering. May all their families and friends be there to assist them and may they receive the Anointing of the Sick.

Seventh Sunday of Easter | John 17:1-11a
