Our Lord Jesus Christ, King of the Universe (Solemnity)

## Pastor's Corner

Fr. John Pendzick

In October 2021, Pope Francis solemnly opened a synod. He invited the entire Church to reflect on what can help us to “live communion, achieve participation, and be open to mission.” First, we need to listen to the Holy Spirit and recall how the Spirit has guided the Church’s journey through history and, today, calls us to be witnesses of His Love.

Next the Church seeks to hear from the people of God in all walks of life. For the proclamation of the Gospel is not addressed only to an enlightened or chosen few...but Jesus comes for all sinners, all of us that is, the people of ordinary life, everyone of the human condition.

Pope Francis called on each Bishop around the world to listen to members of their flock – including those who are marginalized or who have fallen away from the Church — and get their feedback on issues important to the Catholic Church today.

The Holy Father wants to know how Catholics experience and express their faith in these challenging times. The goal is to listen to all Catholics, wherever they find themselves in their faith journey or relationship to the Church, so that, under the guidance of the Holy Spirit, we may discern the best ways of addressing the challenges we face as a world and work together on a path of healing and unity through our Catholic faith.

This is a great opportunity for you to be heard. Listen to the Holy Spirit working in your life and take the opportunity to charitably voice your concerns. Certainly many parents lament that their children are not practicing the faith like they thought they would. Often moms wonder what “they did wrong.” Here is an opportunity for you to reach out to your family members, friends, neighbors and give them a chance to be heard. It may also be an opportunity to invite someone back.

### **Thank You from Msgr. Murphy**

I was ordained a priest in March 1964. I had 1000 questions to ask God, but when I met the parishioners at Immaculate Conception Church and at St. Thomas More Church, they all fled and it didn't seem to matter.

Love is its own answer. The church of Jesus Christ freely and unreservedly expresses our love and gratitude for one another. Do you know how very much I will always remember you and be forever thankful for the gift of your inspiration and presence in my life and ministry? May the love that was conceived by God be your love. May the life that was born of Mary be your life. Happy and blessed Thanksgiving!!!! Amen.

### **Journey Together**
