PARISHIONER PICK ~ Peter Eschbach

Hello Parish Family – I’m Peter Eschbach. My wife Susan and I have been members of the SVDP since we moved to Mays Landing nearly 20 years ago from Pennsylvania’s Lehigh Valley. I am an Army veteran, having enlisted right out of high-school and three years later was admitted as a Cadet to the United States Military Academy. While at West Point, I met my future wife Susan, who also had a younger brother there at West Point at the same time, and an older brother who already graduated. We married about a year later. It was the best thing that

ever happened to me. Susan graduated from an all-girls Catholic college and became an Army wife – the toughest job in the Army. All told with active, reserve and national guard units, I spent more than 30 years in the Army, most of it as an airborne (jumping out of planes) officer. St. Michael has always been my patron saint.

I was raised in the Presbyterian faith, yet growing up, all my friends were Catholic. Once I got into the Army, my dog tags simply said “No Preference” as if I was laying someplace dying, I wasn’t going to be picky about who came and prayed over me. However, after several years of attending Mass with Susan and our daughter, I considered myself Catholic. So, I decided to make it official, went to RCIA and was confirmed. Because of all the moving around we did with the Army and later in the corporate world, SVDP is our 12th Parish and the longest we’ve been in one place.

I am a member of the local Mays Landing Veterans of Foreign Wars, our Knights of Columbus Council, active with my West Point class, and on the USMA recruiting team. I am also on the Hamilton Township Veterans Advisory Board.

Because of our experiences with West Point and the Army, Susan and I got involved four years ago with Wreaths Across America. We believe that it is an outstanding way to honor and remember America’s veterans, most of whom are not buried in Arlington National Cemetery. With Father March and the Parish’s support, we’ve grown from sponsoring 500 wreaths in Holy Cross Cemetery next door – to sponsoring 2,500 wreaths (1,500 in Holy Cross and 1,000 in half a dozen local cemeteries).

The best thing about the program is that it brings the local community together to honor our resting vets. Regardless of your religion, race, age, political party, etc. - it doesn’t matter. For at least that one day (this year it’s Saturday, Dec. 19), we are one group of Americans gathered to recognize our family members, friends, and many we don’t know, who at some point raised their hand and said, “Send me.”

Our goal this year is the same as last year. If every family in the Parish sponsored two or more wreaths, we could hit that goal easily. And to top it off, every wreath results in a \$5 donation to our Food Pantry Ministry or the SVDP Regional School

God Bless You and God Bless America!

What To Do If You Get The Flu

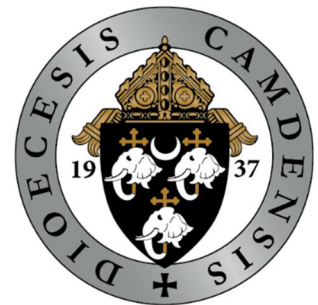

If you get the flu, act fast! First, talk with a health care provider. The flu and COVID-19 have similar symptoms, so you may need to get tested for an accurate diagnosis. This will also help determine which medications might make you feel better. There are prescription drugs, called antivirals, that are used to treat people with the flu. If you take them within 48 hours after flu symptoms begin, these drugs can make you feel better more quickly. Antivirals can also help reduce your risk of complications from flu. Antibiotics do not help you recover from the flu. However, they are sometimes prescribed to treat a secondary infection if it is caused by bacteria. Bacteria are a different type of germ than viruses.

FAITH, FELLOWSHIP & FUN!

BLESSED AUTUMN TRIDUUM. As we celebrate the weekend of October 31–November 1, we recognize Allhallowtide, the traditional name for the three-day observance of Halloween (All Hallows' Eve) on October 31st, All Saints' Day on November 1st, and All Souls' Day on November 2nd. These days invite us to honor the saints, remember our loved ones who have died, and reflect on the hope and promise of eternal life in Christ.

At St. Vincent de Paul Regional School, we strive to help our students follow the example of the saints through love, kindness, compassion, and service to others. As we celebrate our school's 65th anniversary, we give thanks for the generations of students, families, teachers, and religious leaders who have nurtured our Catholic faith and helped shape our school community.

May the observance of Allhallowtide deepen our faith, inspire us to live as Christ's disciples, and remind us of the lasting legacy of those who came before us. All holy men and women, pray for us!

Dear Parishioners,

This past weekend, I had the joy of attending my 25th college reunion.

One of the best parts for me came as I was leaving the big gathering on Saturday evening.

Someone excitedly came up from behind and stopped a friend and I. We knew him, but neither of us had been close to him. He asked what we were up to and we told him. He then said to me, "I'm in training to be a Eucharistic minister!" He could see the joyful surprise on my face. (He was a bit of a wild man back in the day.) He said, "Yeah my life has totally changed." He then went on to tell us about how his third child is in a Catholic high school and that he cherishes having Wednesdays off as an airline pilot so that he can go to confession and daily Mass alongside of his son every week.

This weekend, we celebrate All Saint's Day. It is the feast of every person in history who has allowed their heart to change from doing their own will to doing God's will, or another way of saying it could be, from distrusting God to trusting Him.

This includes people like the "good thief" on the Cross who at the end of a life of sin ultimately stood up for Jesus and placed his trust in Him and was told he would be in paradise that day.

It also includes people like St Therese of Lisieux, otherwise known as the "Little Flower," who never committed a grave sin, but who still GREATLY needed God's help to remain on the right path.

And it includes MANY MORE SOULS who have ultimately said yes to God.

I heard a parent recently give a talk. In it she said, "When a child answers a parent's request by saying, 'in a minute,' it is essentially saying 'no.'"

We all know that the child and parent BOTH feel better when the child actually responds and does what they are supposed to do.

One of my classmates who was at the reunion went on to become a highly decorated Marine. I remember observing when he had command of a company of midshipmen during Plebe Summer. He said to them, "When I say 'poof,' I want to see you disappear from this room." Then he gently said, "poof" and they moved like no other group.

We ask all the saints in heaven to pray for us this day to hear the gentle voice of God and respond.

God bless you, Fr March
