

THE PARISH COMMUNITY OF
SAINT CHARLES BORROMEO

MISSION STATEMENT

We, the parish community of Saint Charles Borromeo, are called by our Baptism to share the mission and ministry of Jesus Christ to love God and one another.

We respond to this call by deepening our faith through active participation in the sacraments, especially the Eucharist, and by sharing our time, talent and treasure to serve and care for others within and outside our parish community.

We envision ourselves as belonging to a people of faith, hope and love as we are led by the Holy Spirit in celebrating the Kingdom of God.

Letter from our Pastor

Dear Brothers and Sisters in Christ,

*I was recently invited by the Chancellor of the Diocese of Trenton to give a presentation/seminar on one of the fundamental documents of the Second Vatican Council known as *Sancrosanctum Concilium* for a number of the diocesan staff. I'm looking forward to this opportunity, which will take place sometime in mid-August. *Sancrosanctum Concilium* or SC is one of the four Constitutions from the Council, meaning that it's one of the major documents and its impact over the last sixty years or so have been profound in the life of the Church. As I dive back into the document and reacquaint myself with it, I'm struck by the beauty of its message and it's clear love of the liturgy, which is the main topic of the document itself.*

My re-reading also in some ways coincides with something significant going on in the life of the parish this weekend and no, it's not the arrival of the trailers for Carnival. It's the 1st weekend of May and that means it is time to celebrate First Holy Communions again. But as I look at the Church's vision of the liturgy in SC and look at this important parish moment, I can't help but see a synergy between these two realities and how we get to experience them.

The way in which SC talks the Eucharist centers around the idea that it is the fount and summit of the Christian life. To some, this might be familiar language; to others it might come across as church-speak. In essence, what the document is trying to convey is that our lives of faith depend on the Eucharist as a starting point as well as the goal we want to achieve.

All year long our second graders and their families have been preparing for this great moment in their lives, where they are receiving the Eucharist for the very first time. They've been learning about the gift of the Eucharist in class, they've made their first confession in preparation of their souls to receive our Eucharistic Lord. They've gotten dresses and suits, practiced songs, made banners, all kinds of things, all to be ready to reach the goal of the Eucharist. It's something they've been looking forward to and now it's finally here. They're almost at the summit!

But the beauty of First Holy Communions is that as much as it's a summit and goal, it's also a stepping off point as well. Yes, our second graders get to do it for the first time and that should be celebrated! But the joy continues as they now have access to the Eucharist throughout the rest of their lives; not as a goal to get to, but as a fount of grace to help sustain them in their faith and help them grow as individuals. And so, my dear brothers and sisters, may we all rejoice with our little ones as they experience the Eucharist for the first time and rejoice in the continued gift of the Eucharist in our lives as well.

*Peace and Goodness,
Fr. Dan*

RESPECT LIFE NEWS

Many problems darken the horizon of our time. We need but think of the urgent need to work for peace, to base relationships between people on solid premises of justice and solidarity, and to defend human life from conception to its natural end.

ADORATION CHAPEL

Come and receive the special outpouring of God's grace that many of our parishioners have already experienced by spending time with Jesus truly present in the Blessed Sacrament. Come and be blessed at your own convenience. The chapel is open from 8AM to 10PM on Monday through Friday and 8AM to 4PM on Saturday. Please contact Joeram Nuarin at 856-829-3322 ext. 120, if you are interested in taking an hour in the Chapel.

RELIGIOUS EDUCATION NEWS

*Congratulations to the 82 students who received First Holy Communion on Saturday, May 3rd.
May this special day bring you closer to God's love and fill your heart with joy.*

HEALING THE WOUNDS OF ABORTION

The psychological and spiritual wounds of abortion can be sharp, deep and crippling. You may feel a deep numbness and may not be able to name the pain or recognize any of the symptoms. It can also have a devastating impact on the father or grandparents of the aborted child and friend/s of the mother. You do not have to continue to hide in shame and fear. Rachel's Vineyard's Retreat is a chance to focus on this painful time in your life through a supportive non-judgmental process, in an atmosphere of confidentiality, understanding, and compassion. It is designed to help both women and men experience the mercy and compassion of God.

If you have suffered through an abortion and have isolated yourself from healing and forgiveness, you might consider attending one of our retreat weekends. For more information, contact Judy Warenkiewicz at 732-536-6871. All inquiries are strictly confidential. 2026 Weekend Retreats June 5-6, 2026

In the Gospel today, Jesus says "...whoever believes in me will do the works that I do, and will do greater ones than these, because I am going to the Father.

Through your donations you are performing a good work; far greater than you think. The donations placed in the St. Vincent de Paul Box bring Christ love and compassion to the poor.
