NEW COLLECTION ENVELOPES

This week, parishioners started to receive collection envelopes for July from our new envelope mailing service *Our Sunday Visitor*.

We are aware of some issues with duplicates, and incorrect names or addresses. We have corrected these issues going forward.

If you have not yet received a set of envelopes, please take and fill out one of the forms available at church entrances and return it either in the collection basket or you may drop it off at the parish office.

Those who are on Electronic Giving have inadvertently been mailed envelopes. We are working to prevent duplicates going forward.

Thank you to those of you who drew our attention to these matters. We appreciate your patience during this transition and we thank all of our parishioners for their continued generous support of Holy Family Church.

St. Joseph, Pray for Us
Happy Father's Day

Heavenly Father, you entrusted your Son Jesus, the child of Mary, to the care of Joseph, an earthly father. Bless all fathers as they care for their families. Give them strength and wisdom, tenderness and patience; support them in the work they have to do, protecting those who look to them, as we look to You for love and salvation, through Jesus Christ our rock and defender, in union with the Holy Spirit, one God forever and ever.
St Joseph, Pray for all our Fathers, Amen

Gospel Today

Twelfth Sunday in Ordinary Time | Matthew 10:26-33

God created everything on earth, and He knows us right down to the hair on our heads. He wants us to listen to the word of Jesus, and believe. Whoever accepts Jesus on earth, will be accepted by His Father in heaven. The works of the Apostles continues.

SUMMER IS HERE!

Look around at God's world. What is your favorite summer activity?

Draw a picture of **you and Jesus** together. What are you doing?

Eating ice cream? Skating in the park?

Swimming at the lake, beach or pool?

Is your hair pulled up, or under a hat?

Don't forget to put sunscreen on!

SWEET as HONEY

Matthew 10:30

Even the hairs of your head are counted.

“I dig here all the time.”

You might not know the area as well as you think!
Even if you've excavated an area previously, erosion, settling ground and other factors can change the depth and location of utilities over time. **ALWAYS** contact 811 before putting your shovel to the ground!

5 STEPS FOR SAFE DIGGING

Working on an outdoor project? Always call 8-1-1 first, because you never know what's below. Here are five easy steps for safe digging.

1. NOTIFY

Call 8-1-1 or make a request online two to three days before you start.

2. WAIT

Wait two to three days for a response to your request. Affected utilities will send a locator to mark any underground utility lines.

3. CONFIRM

Confirm that all affected utilities have responded by comparing the markers to the list of utilities the 8-1-1 call center notified.

4. RESPECT

Respect the markers provided by the affected utilities. They are your guide for the duration of your project.

5. DIG CAREFULLY

If you can't avoid digging near the markers (within 18-24 inches on all sides, depending on state laws), consider moving your project.
