Defining Moments

WEEK 4

CLARIFYING MOMENTS

Dear Friends,

Last weekend we had a wonderful Community Sunday, with lots of new members downstairs, milling about, meeting people, and just getting connected to our parish family. Sharing fellowship is one good way to get to know each other. Special thanks to all who made last Sunday possible, especially our staff and the extra special kitchen helpers!

You know, when we gather for worship upstairs, there is little time to share life and stories. Reverent silence is expected so everyone present can pray, free from distractions, and open his or her heart to God. But downstairs in Nolan Hall, there is ample time to share some fellowship and get to know each other better. A parish that knows and loves each other, prays better upstairs in church together. Is there any particular way that I can remember you in my prayers?

Speaking of getting to know each other, this week we are beginning to get ready for Lent. Yes! Lent is just around the corner. A wonderful way to grow during Lent is by joining a small group. Small Groups meet weekly, on campus or in members' homes. This is where the big parish gets small and where people get to tell their stories and explore how God is moving in their lives. It is not complicated or fancy. It is just people coming together for some prayer and sharing, walking together on the road of discipleship. And it is a great way for members to really get to know each other, share connections and become more immersed in our parish life.

I cannot stress enough how impactful small groups have been in the lives of our people, and in my own life. At youth group, we often held small group discussions; sharing was a key aspect of our evenings. God really came alive for me during that time in my life. He became real, a person, someone who loves me. It is hard to explain. Witnessing God active in the lives of my friends, naming the graces, recognizing the blessings, the Father and the Son and the Holy Spirit each became real persons in my life. People I recognized. Before that God was a concept or idea: all-powerful, all-loving, all-knowing. Coming to see evidence of Him alive in my life and the life of my friends just made Him real for us. If there is one thing that made a difference in my life, it was my small group experience as a teenager.

Over these past weeks, we have been speaking about defining moments - those key moments in our lives - highlights or lowlights that really shape our existence, illuminate a new understanding, give a deep sense of meaning. Moments, outsized in their impact, which have the power to change the trajectory of our lives. Let me share one from my teenage years.

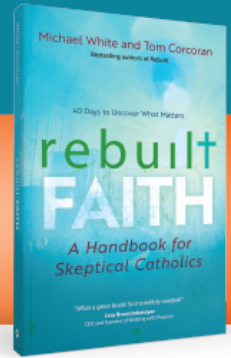

Some friends gathered in a home for the evening. Kids I did not know pulled out a ouija board. They started asking questions. My Mom had told me never to play with a ouija board - and you should not. Although none of the kids playing knew me, the board eerily guessed my name, perfectly, on the first try. Goosebumps. Immediately, I began to pray under my breath: "In the name of Jesus, I bind you and send you to His feet. In the name of Jesus, be gone." Over and over. All of sudden, the board stopped working. It went dead. The kids playing with the board got frustrated and put it away. I remember that moment as clear as day. I learned three things that day: evil spirits are real; this is not a game; and the power of Jesus' name. Definitely for me a defining moment on my journey, strongly illuminating the truth that a battle rages for souls just beyond our view. A whole world exists beyond our sight, just as Jesus shows his power over that world by exorcizing a demon in [our Gospel today](#).

Please take a minute and sign up for a small group for Lent. See the form on page 5. It could change your life.

God bless!
Fr. Joel

Building Up the Body of Christ

Faith Commitment Wrap Up for 2024

Now that we have entered into the new year, we wanted to do a final wrap up of the commitments, hopes, and dreams shared by seventy-one of our parish families.

First, a big thank you to all that responded! The total commitment for 2024 is \$227,056 which is 22% of the resources needed for our annual budget. While we are grateful for those who made an intentional commitment, we are also grateful for all of you who support our mission through the year.

You shared your hopes and dreams with us! We have grouped those shared hopes and dreams into some categories related to Personal Growth, Focus on Future Generations, Worship Opportunities, Sustaining our Parish, Sustaining the Church at large and a few additional suggestions regarding facilities.

What can be done to fulfill some of these hopes and dreams? Some can be fulfilled by you committing to Serve, Tithe, Engage, Pray, and Share. Through these STEPS you can continue to grow in discipleship. Through joining a small group and/or ministry you would get to know more of our parishioners and have a deeper sense of community. Some ministries directly support the Corporal Works of Mercy such as our Homebound Ministers who visit the sick, our Bereavement Ministry who facilitate in burying the dead and our St. Vincent de Paul Society who feed the hungry, give water to the thirsty, clothe the naked, and shelter the homeless through the various programs they facilitate.

We want to support families and the younger generations, making them feel welcome and engaged. Consider assisting with our Religious Education Programs, Youth Group, and Young Adult Group. We are always looking for better ways to engage the youth and younger adults. If you have suggestions and are able and willing to take part in planning and implementing initiatives, we want to hear from you!

The best way to ensure that we sustain our parish for the future is to financially support the mission while inviting others to come. Once we bring people to the table, we strive to make them feel welcome and fed through our hospitality and liturgy. Consider joining

our new member welcome team! Or volunteer to call those who, while members of our parish, no longer come to church to determine if they would like a home visit or just an invitation to come back to Mass.

We all pray that the wider Church throughout the world grows in numbers and faith. We can support this growth by encouraging those we know who live elsewhere to become active members of their local parish. Consider supporting the Bishop's Annual Appeal to assist the Diocese of Trenton in their mission.

Some other hopes mentioned can best be addressed through growing into a financially stable parish so that our facilities can be maintained for the future.

For those Worship Initiatives suggested, you can make this happen by taking on a leadership role, plan it out and submit the plan to the liturgy committee. Unfortunately, this is a parish with one priest and one deacon, and some things are just not achievable with these limited resources. This is why we would love every member to participate in a ministry in some capacity.

Again, we thank you for your ongoing commitment to the mission of our parish. We are all so fortunate that we get to attend worship on the weekend in the company of our fellow disciples.
