PASTOR'S PIECE

XXIX Sunday of Ordinary Time – October 18, 2026

October is the Month of the Holy Rosary because Our Lady's intercession was attributed to the victory at Lepanto in 1571. This was a critical win that ensured that Christendom would not be lost to Islam, at least not in the 16th century. Our Lady and her Rosary is still scoring countless victories for individuals and families who invoke her intercession. Perhaps you and your family could host the Pilgrim Virgin Statue. With a special commission from me, our Legion of Mary is visiting our newest parishioners. In addition, they are arranging for this special statue of Our Lady to visit the homes of parishioners. If you are interested, please, call the office to arrange a visit with our Legion of Mary. I share the following story from one of her more recent visits in a local parish.

Christ's Peace,

Fr. Murphy

When Mary Came to My House

by Edith "Edie" Coleman, Alexandria, VA

I've been in the Junior Legion of Mary at my parish, the Basilica of Saint Mary in Alexandria, VA, for three years. At first, my mom always said 'no' whenever we were asked if we wanted to host the Pilgrim Virgin Statue in our house. But then one day this summer she finally said yes! We even got to keep Mary for two weeks instead of just one, since a lot of families were on vacation in August.

The coolest part? Mary was right there in our dining room when I turned 12! Hosting her wasn't as big of a deal as I thought it would be. We cleaned up extra for visitors and made a nice spot for her, but that was it. Mom and Dad were super serious about my little brothers (they're 4 and 7) being careful around the statue. Mom kept saying she was scared they'd throw a ball and break her. But guess what? They were actually really good around Mary.

Every day, Mom, Dad, and I prayed the rosary. Sometimes it was all of us together, sometimes we said it by ourselves.

And one night, my younger brother – who normally has trouble sitting still for anything – actually joined in with Mom without anyone asking! It was a miracle. Mom was so happy.

(I wish he would have asked her for a puppy – she might have finally said yes!)

We ended up praying the rosary more times as a family in those two weeks than we ever had before. And you know what? It wasn't scary or hard. It was actually really peaceful. So if your family has ever thought about hosting your parish's Pilgrim Virgin Statue but said no because it seemed like too much... you should totally do it! Having Mary in your home brings everyone closer, helps you learn your prayers better, and just makes your house feel calmer at the end of the day. I'm so glad that Mary came to my house!
