FAITH BOOK
1st SUNDAY OF LENT *February 21, 2021*
Genesis 9: 8-15; Psalm 25; I Peter 3: 18-22; Mark 1: 12-15

From today's Genesis reading:
God said to Noah...
"See, I am now establishing my covenant with you
and with your descendants after you
and with every living creature that was with you:
all the birds, and the various tame and wild animals
that were with you and came out of the ark."

Reflection:
The covenant God made with Noah and his descendants states that God wants to continue working with us to care for what God has created. God's good purpose not only includes humans and their care, but also all of the natural world which the Book of Genesis tells us, God called "good." What God calls good we must also treasure and protect.

So, we ask ourselves:
What can I do to protect human life in all its stages?
What must I do to protect the environment so that it will continue to be a blessing for generations who follow us?

Stewardship Reflections:
1st Sunday of Lent
"After John had been arrested, Jesus came to Galilee proclaiming the gospel of God…." - MARK 1:14
Do you ever think about how difficult it must have been for Jesus to come into Galilee, knowing that John had just been arrested for teaching the same message that Jesus was proclaiming. It must have taken great love and trust for Jesus to do what the Father had sent Him here on earth to do. In the same way, following a life of stewardship takes great love and trust from us. We must be willing to surrender completely to God, trusting that God will always give us all that we need to fulfill His plan for us.

"We need to find ways to all benefit from the fruits of the earth, not only to avoid the widening gap between those who have more and those who must be content with the crumbs, but above all because it is a question of justice, equality, and respect for every human being." – Pope Francis

"Spiritual Adoption"

This year, more than 250 of our young parishioners will receive a sacrament of initiation. They are in need of your prayers, and we would like to offer the opportunity for you to "spiritually adopt" one or more of them.

This adoption would mean agreeing to pray for a particular child daily between now and the time he/she receives First Communion or Confirmation. We would ask that you also plan to give the child some symbol of these prayers on their big day. As of now, we have volunteers who are putting together origami spiritual bouquets and others who are putting one silk flowers in a vase for each week of prayer. You might consider putting one specific prayer note for the person in a pretty box or jar each day—be creative!!

If you are interested in participating, please email Amy at stannreled@gmail.com.

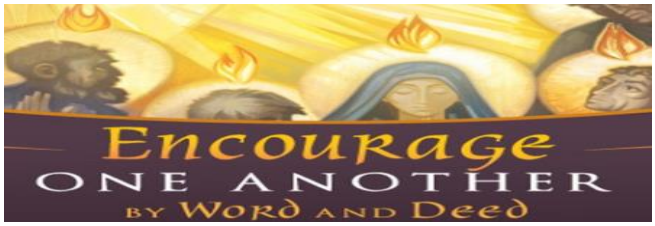
A Creation Care Gathering for Young Adults

Are you a young Catholic between the ages of 18 and 39 who cares about the climate crisis and environmental justice? Please join the Catholic Climate Covenant for "Emergence: A Creation Care Gathering for Young Adults" on Tuesday, February 23 from 7:30 – 9:00 PM. Attendees will have the opportunity connect with one another, engage in prayer, and brainstorm on how young Catholics can advance the vison of *Laudato Si'*. For more information and to register, please go to: Emergence: A Creation Care Gathering for Young Catholics (salsalabs.org).

Reminder: Dispose of Surgical Masks Properly

If you use disposable surgical masks, please take care to dispose of them properly to minimize their impact on wildlife. Birds and marine creatures have died or been injured after becoming entangled in face masks or mistaking them for food. Experts recommend that we cut or remove the ties before discarding, recycle the masks when possible, and refrain from placing used masks in outdoor garbage cans where they can blow away.



2021 BISHOP'S LENTEN APPEAL

The more 'people of goodwill' participating in the good works being accomplished across the diocese of Arlington, the more we are able to help multiple God's work in our midst. I thank those who have already made a pledge to this year's BLA. For those who are able to support and contribute to the BLA according to your unique ability, I invite you to reflect upon the blessings that God has given you. Prayerfully consider making a pledge to this important appeal that funds many programs and ministries that serve thousands of people in our diocese.

Once a year we are asked to make a commitment to support the work of our diocesan programs and ministries which provide services that no single parish could provide on its own. Visit https://youtu.be/vUUuyPxvNBI to learn more about the Bishop's Lenten Appeal and how to give. You may go online to make a pledge donation at www.arlingtondiocese.org or scan the 'QR" code found below.

LENTEN SOUP SUPPERS: As Lent approaches we wanted to let you know that due to the state of the pandemic we are not able to hold our Lenten Soup Suppers this year. Although we are disappointed and will miss this wonderful time to gather and support charitable organizations, we feel it necessary. If you are able, please consider donating to a charity during the Lenten season. Provided below are website addresses for some of the organizations that the Soup Suppers typically support, should you find the means to be able to help during this time

- SOME - So Others May Eat (some.org)
- Doorways for Women and Families (doorwaysva.org)
- The Paul Stefan Foundation (paulstefanhome.org)
- Buckingham Youth Brigade (bu-gata.org)
- HOPE of Northern Virginia (mightycause.com)

We look forward to getting back together in 2022!

THANK YOU FOR SUPPORTING FOR AFAC! St. Ann parishioners continue to donate food for those in need in our community, especially during the pandemic when the need is so much greater. Just in the last two weeks, over 450 pounds were donated! This is indeed a very impressive amount, and AFAC and its clients very much appreciate the generosity of St. Ann parishioners.

Celebrate Life!:

We have just begun another campaign for 40 Days of Life. Have you ever considered spiritually adopting one of these innocent souls who could be aborted? Although you will never know what child you have prayed for in this life, you CAN make a difference. Simply, commit to praying daily for 9 months, this simple prayer from Bishop Sheen:
Jesus, Mary and Joseph, I love you very much. I beg you to save the life of the unborn child I have spiritually adopted, who is in danger of abortion. Some people do name "their babies". Take the time to make a difference.

COVID-19 Vaccinations Update:

Virginia Department of Health Prepares for Launch of Statewide Pre-Registration System with Updates to Local Health District Websites

(Richmond, Va.) — The Virginia Department of Health has directed local health districts to close their vaccination pre-registration forms Friday evening, in preparation to shift to a statewide system next week. During this time, existing waiting lists will be imported to the new system and pre-registration will be temporarily unavailable throughout Virginia. Pre-registration, through the new statewide system, will be available again on Tuesday, February 16.

Anyone who has previously filled out a survey or form or signed up for a waitlist to be vaccinated through their local health district, will be automatically imported into the new statewide system. Individuals will maintain their current status in the queue.

The statewide vaccine pre-registration system will provide a unified and comprehensive process for people in Virginia to pre-register for the COVID-19 vaccine.

For more information on COVID-19 in Virginia and the United States, and the Commonwealth's ongoing efforts in the pandemic,
visit www.vdh.virginia.gov/coronavirus and www.cdc.gov/coronavirus

- All Local Health Districts in Virginia have moved into Phase 1b of vaccine eligibility. This means that approximately 50% of Virginia's population is now eligible, including frontline essential workers, people aged 65 years and older, people with high-risk medical conditions identified by the CDC, and people living in correctional facilities, homeless shelters, and migrant labor camps.

- There are simply not enough doses available yet for everyone who is eligible to receive them. Virginia is not likely to meet the demand for Phase 1b until March or April.

- Anyone eligible for Phase 1a or 1b based on occupation should check with their employer to see if arrangements have already been made.

Unfortunately, it may be weeks or longer before vaccination appointments become available for those who have registered.

Visit the County COVID-19 Vaccine webpage *for the latest information and updates.*

Additional information about COVID-19 vaccines, testing and other information may be found on the Arlington County website at https://www.arlingtonva.us/covid-19/.

Season of Lent
Masses, Services, and Lenten Activities

The Light is On for You

Confessions on all Wednesdays during Lent will be offered from 6:30-8:00p.m. Individual confessions will take place in the chapel. During this time of *"The Light is On for You"*, there will be an Exposition of the Blessed Sacrament in the main church. This gives parishioners the sacred space for prayer and adoration.

Stations of the Cross on Fridays during Lent

Saint Ann will have the Stations of the Cross on all Fridays during Lent at 7p.m. Due to the pandemic and in keeping with the safety protocols for celebrations while in church, parishioners participating in-person for the Stations of the Cross are asked to stay in their pews, instead of walking the stations. Only the minister, altar server who is carrying the cross and the prayer leader will move around in the Stations of the Cross.

Wearing masks and maintaining social distancing are to be observed during these Lenten spiritual exercises in the church.
