UP IN THE MOUNTAINS

To be very honest I haven't watched very much of the 2018 Winter Olympics. I am sure it is a bit of a childish reason, but I very much miss flying though a field of moguls, cutting through the trees in the glades and stepping off an edge of the mountain into a steep drop layered with powder! Needless to say, I miss skiing. I skied most of my life, but with some medical issues I had to make a choice to give away my equipment but cling to my memories. Watching what the Olympians do, with far greater skill, what I loved to do wasn't something I wanted to watch. I am not a very good armchair athlete! I miss it all, but I very much miss the wonder of being at the top of the mountains!

One of those wonderful memories I have is the first time I ventured out West to ski the big stuff! It was in Aspen that I was introduced to real mountains. Sure I have skied in Vermont, New York State and the wild mountains of New Jersey, but the Rockies was another world. I remember taking a chair called "Cloud 9" to the top of Aspen Highlands and stepping off the chair at just over 14,000 feet above sea level. The view below caught my breath and wowed me! My eyes saw the village of Aspen off to the left nestled in the valley like a Christmas scene arranged under a Christmas tree. The view of endless sharp edged peaks covered with layers of snow dazzled me. You could see for miles. It is life changing being in the mountains.

For Peter, James and John it was life changing being in the mountains with Jesus. Like standing on the peaks of the Rockies and seeing the valley below in a very different light, they stood on the mountain and saw Jesus for the first time in a very different light. In this Transfiguration experience they came to see him as the fulfillment of the Law of God and of the challenge of the prophets. As the Law guides us to love God deeply and express that love by the way we treat others and ourselves, every word and action of Jesus in his ministry guides us to do the same. As the voice of the Prophets challenges us to put aside our selfishness and self righteousness, every word and action of Jesus in his ministry challenges us to open our eyes and ear to the needs of others and open our heart to respond with compassion. Great things happen on mountaintops.

But, you can't stay on the top forever. Peter and the boys want to but the Lord hikes them down into the valley (I would have skied them down!) where faith needs to be lived, where challenge needs to be spoken and where love and respect needs to be shared.

You and I live in the valley not on mountaintops. So much to be done in this valley of ours. So much of the Law needs to be re-instilled and so much of the voice of the Prophets needs to be spoken. All of that is in our hands. We have been to the top of the mountains with Jesus, seen who he is and what his Kingdom means. From the fear that lingers in the hearts of those who live with violence, to the children abused and abandoned, to the elderly who are very vulnerable to the abusive the Transfigured Jesus needs to be proclaimed. That is in our hands! That is why we were transported to the Mountaintop to begin with! There is a lot of work that needs to be done in our valley. We need to be advocates to protect our children. We need to be voices that cry out for change. We need to be Christ's followers we witness love and respect to guide our children to grow as loving and respectful adults. We need to be people who stood on the mountaintop, saw just who He is and climbed down to show the world just how much we need Him.

It is great to stand at the top of the mountain and see the valley below. . . but then down from the peak we are sent to make the valley the Kingdom of God.

With Blessings and Love,

Fr. Dan

WELCOME

You enter this Church… not as a stranger, but as a guest of God. God is your heavenly Father. Come, then, with joy in your heart and thanks on your lips into God's presence, offering God your love and service. Be grateful to the strong and the loyal ones who, in the name of Jesus Christ, built this place of worship and to all who have beautified it and hallowed it with their prayers and praise. Ask God's blessing on those who love this house of faith as the inspiration of their labor, rejoicing in the power of the Holy Spirit, and may that blessing rest on you, both on your going out and your coming in.

FAMILIES GROWING IN FAITH
GOSPEL LEARNING: FEBRUARY 25

Mark 9:2-10

The apostles thought they knew Jesus, but when he changed in front of them at the Transfiguration, they were afraid. In families we cannot freeze relationships because change and growth are inevitable. Children grow up, parents grow old and spouses change. Transfigurations are all around us and within us. Relationships can only grow when we embrace the new and let go of the old.

Each session will run 75 minutes, beginning at 10 AM on Thursday, February 22, at the Ministry Center (behind the church) and continuing for five weeks.
