## 29th Sunday of Ordinary Time

*“I charge you in the presence of God and Christ Jesus, who will judge the living and the dead, and by his appearing and his kingly power, proclaim the word, be persistent, whether it is convenient or inconvenient; convince, reprimand, encourage through all patience and teaching... remain faithful to what you have learned and believed, because you know from whom you have learned it.”*

Although Paul wrote this letter to Timothy, why not consider it to be a message personally sent to you. We can all seek to let God’s inspired word change our lives, even at some cost, if it brings us closer to the Lord. Am I convinced that the Lord is speaking to me? Do I see something that I must change and correct in my life? Am I able to be a source of encouragement for someone else who is down or wandering? As I hear the word and reflect upon it, remember the prophetic statement, “Speak Lord, your servant is listening.”

**WEEK

### INTERCESSION

May every father of a preborn child lovingly support the mother of his child in welcoming new life.

### PRAYERS

Our Father, 3 Hail Marys, Glory Be

### REFLECTION

Fatherhood has its origins in God, who chose to reveal Himself to us as Our Father, sending his only Son for the sake of our salvation. Fathers therefore have a special role “in revealing and in reliving on earth the very fatherhood of God” (*Familiaris consortio* 25). Fathers are called to exhibit “generous responsibility for the life conceived under the heart of the mother” (FC 25). They are uniquely entrusted with the protection and defense of both mother and child and, in this way, in safeguarding the sanctity of human life.

As evidenced in our world today, the role of the father “is of unique and irreplaceable importance” (FC 25). Often women choose abortion because they do not have the support of the child’s father, or—even worse—the father of the child pressures her to make the decision to abort. At the same time, it is important to acknowledge with compassion that men can also be overwhelmed by an unexpected pregnancy and that society increasingly tells them that they should have no say in their children’s lives. In the face of these false messages, we pray that fathers of preborn children will find courage in the example of Saint Joseph—who embraced the role of father amid difficult circumstances—and offer loving, life-affirming support to the mothers of their children.

### ACTS OF REPARATION

(Choose one.)

- Give up sleeping on your pillow—or even your bed—tonight. Offer this small sacrifice for the intention that fathers of preborn children will courageously answer their call to support both mother and child.
- Pray a decade of the Rosary for all fathers of preborn children, that through her intercession, Our Lady may inspire in them the virtues of Saint Joseph: [usccb.org/how-to-pray-the-rosary](https://usccb.org/how-to-pray-the-rosary).
- Offer some other sacrifice, prayer, or act of penance that you feel called to do for today’s intention.

### ONE STEP FURTHER

Research continues to show that one of the top reasons a woman chooses abortion is due to a lack of financial resources. Read “Poverty and Abortion: A Vicious Cycle,” which explores the connections between abortion and poverty, and how the absence of fathers contributes to this ongoing cycle ([respectlife.org/poverty-and-abortion](https://respectlife.org/poverty-and-abortion)).

# VOTE THIS NOVEMBER FOR PRO-LIFE DELEGATES

## *Extreme* Abortion Amendment to the Virginia Constitution

### WHAT YOU NEED TO KNOW

This November, every seat in the House of Delegates is on the ballot. The legislators we elect will decide whether the “*Fundamental Right to Reproductive Freedom*” amendment is advanced or stopped.

**The Fundamental Right to Reproductive Freedom Amendment** goes far beyond what Roe v. Wade allowed:

- Parental consent laws in jeopardy
- Abortions up to birth guaranteed
- Religious liberty threatened
- Health of women and girls at risk
- Taxpayers could be forced to fund abortion

**Learn more and take action**

*Please prayerfully consider voting for pro-life legislators now.*
